What is the purpose of rules in BQF Bible Quizzing? For the unification of rules that can be applied to any Regional or National tournament for which Bible Quiz Fellowship Ministries participate.

What is the purpose of this test?

This test is designed for table officials and coaches. The main purpose of this test is to ensure that you have read and understand the official rules of Bible Quiz Fellowship. Coaches, quizmasters, scorekeepers, and timekeepers are the primary individuals responsible for ensuring each quiz progresses smoothly, fairly, and consistently for Bible quizzers. Understanding the rules thoroughly will help those serving together in these positions achieve that goal. This test does not address every topic in the Tournament Rules, and passing this test is not a substitute for reading the Tournament Rules.

Instructions: For many questions simply write the correct answer. For multiple choice answers please circle or mark the correct answer(s). This is an open book test; you are encouraged to consult a copy of the rules as you take this test. The questions are listed in approximately the same order as the topics appear in the Tournament Rules.
